SABIS[®] Educational Systems, INC. is pleased to announce the opening of a new regional office in Springfield, Massachusetts. Located in the One Financial Plaza building in downtown Springfield, the new regional office will provide additional support to the growing cluster of SABIS[®] Network schools operating in and around Massachusetts.

The new regional office will serve as a geographical center for staff based on the East Coast, provide support for the growing cluster of SABIS[®] Network schools, and facilitate the sharing of services among schools in the area.

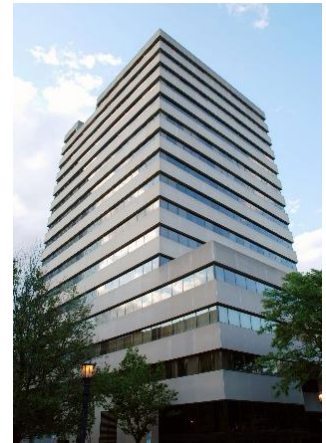

SABIS[®] Vice President of Operations, George Saad remarked, *“Our Massachusetts regional office reflects the commitment that SABIS[®] has toward academic excellence at its three member schools in Massachusetts as well as toward the future of public charter education in the Commonwealth.”*

Currently, SABIS[®] manages three public charter schools in Massachusetts. These include SABIS[®] International Charter School in Springfield, a K-12 school serving 1574 students; Holyoke Community Charter School in Holyoke, a K-8 school serving 702 students; and Lowell Collegiate Charter School in Lowell, a K-5 school serving 525 students.

All SABIS[®] Network schools implement the proven SABIS[®] Educational System, a rigorous, college-preparatory program that provides students with a solid academic foundation and effectively closes the achievement gap.
