

SABIS®

About SABIS®

SABIS® is a family-owned, multi-national education management organization that is backed by over 130 years of experience in helping students achieve their full potential and succeed in a rapidly-changing world.

The organization's operations are guided by a clear set of core values and an unwavering commitment to ongoing research and development as it strives to create a better world through education.

SABIS® Network schools deliver a high-quality education that prepares students for an unknown future by giving them a strong foundation of knowledge, real-life skills and experiences, and the ability to engage as independent, lifelong learners.

From Village School to Global Network

The SABIS® Network dates back to 1886, when a small school was started in the village of Choueifat, Lebanon. The school survived conflict and wars,

prospered, and became the heart of a global network known for educational excellence.

Today, the SABIS® Network has an active presence in the public and private sectors in 20 countries on five continents. A team of more than 8,000 employees in the network educates over 70,000 students, helping to prepare them for life and success in a rapidly changing world.

The SABIS® Educational System™

The SABIS® Educational System™ is an integrated, comprehensive, Kindergarten through twelfth grade academic program.

Students in all SABIS® Network schools learn through the SABIS® Educational System™, an integrated, comprehensive, Kindergarten through twelfth grade academic program. The system uses dynamic materials, proven methods, and cutting-edge technology to provide a solid foundation of knowledge that can be used as a springboard for learning in college and beyond.

Some features of the SABIS® Educational System™ include:

- A well-structured, comprehensive international curriculum aligned to national standards
- Proven instructional methods that keep students engaged and learning efficiently
- SABIS® Book Series: 2,000 digital and traditional titles developed and produced in-house
- Timely tracking of student performance through regular assessment to identify and fill any learning gaps

Education for a changing world.®

Cutting-Edge Education Technology

A classroom using SABIS® digital learning tools

SABIS® has a long-standing commitment to the research and development of new technologies that enhance the learning experience and prepare students for future success.

SABIS® schools make use of:

- **Interactive White Boards:** Digital content on interactive screens
- **SABIS® E-Books:** Digitalized versions of the SABIS® Book Series
- **Interactive Learning System:** Digital classroom learning solution
- **SABIS® Digital Platform:** Virtual learning environment and online communication portal

Through the use of cutting-edge technology tools and systems, SABIS students are prepared for college, learn how to engage in lifelong learning, and become well-rounded, responsible individuals who can achieve sustained success.

SABIS Student Life Organization®

Students in SABIS® schools are encouraged to be part of the SABIS Student Life Organization® (SLO®), a student led society that empowers students to play an active role in their education as well as the education of others. Through SLO®, students benefit from many opportunities for academic, emotional, social, and moral growth.

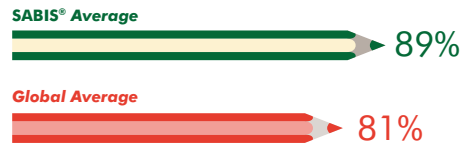

Track Record of Excellence

For over 130 years, SABIS® has been helping students achieve success. SABIS® students, all of whom are admitted through a non-selective admissions process, consistently outperform global averages on a wide variety of international external exams including British-based IGCSE and A Levels as well as the American-based Advanced Placement® (AP) and Scholastic Aptitude Tests (SAT).

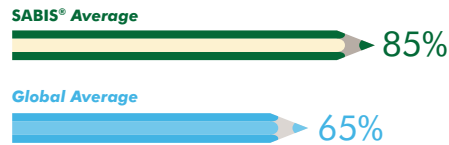

IGCSE:

University Acceptances

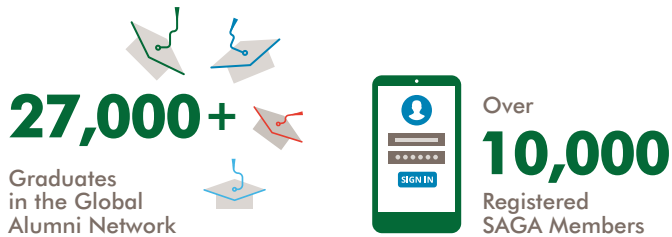

Outstanding academic results coupled with valuable life skills and experiences prepare graduates from SABIS® schools for admission to the world's most competitive universities, where they distinguish themselves as serious scholars, leaders, and conscientious community members.

Global Alumni Network

SABIS®'s commitment to its students extends beyond graduation. All graduates from SABIS® schools automatically become members of the SABIS® Alumni Global Association (SAGA), an association that unites graduates, preserves friendships, and facilitates professional networking.

Operational Models

Schools in the network operate in both the public and private sectors and contract with SABIS® for complete school management services and/or to license the SABIS® Educational System™.

SABIS® has a range of operational models to suit all markets: **SABIS® Premium International Schools** deliver a high-quality educational experience on expansive, state-of-the-art campuses; **Cadmus International Schools by SABIS®** serve aspiring middle class parents who are value-conscious but not willing to compromise on quality; and **SABIS® Public-Private Partnership and charter schools** provide a top-quality SABIS® education to students in tuition-free public schools.
