

# SABIS®

## About SABIS®

SABIS strives to create a better world through education.

SABIS® is a family-owned, multi-national education management organization that is backed by over 130 years of experience in helping students achieve their full potential and succeed in a rapidly-changing world.

The organization’s operations are guided by a clear set of core values and an unwavering commitment to ongoing research and development as it strives to create a better world through education.

SABIS® Network schools deliver a high-quality education that prepares students for an unknown future by giving them a strong foundation of knowledge, real-life skills and experiences, and the ability to engage as independent, lifelong learners.

## From Village School to Global Network

The SABIS® Network dates back to 1886, when a small school was started in the village of Choueifat,

Lebanon. The school survived conflict and wars, prospered, and became the heart of a global network known for educational excellence.

Today, the SABIS® Network has an active presence in the public and private sectors in 20 countries on five continents. A team of more than 8,000 dedicated professionals in the network educates over 70,000 students, helping to prepare them for life and success in a rapidly changing world.

## The SABIS® Educational System™

The SABIS® Educational System™ is an integrated, comprehensive, Kindergarten through twelfth grade academic program.

The SABIS® Educational System™ uses dynamic materials, proven methods, and cutting-edge technology to provide a solid foundation of knowledge that can be used as a springboard for learning in college and beyond.

Some features of the SABIS® Educational System™ include:

- A well-structured, comprehensive international curriculum aligned to national standards
- Proven instructional methods that keep students engaged and learning efficiently
- SABIS® Book Series: 2,300 digital and traditional titles developed and produced in-house
- Timely tracking of student performance through regular assessment to identify and fill any learning gaps

*Education for a changing world.®*

## Cutting-Edge Education Technology

A classroom using SABIS® digital learning tools

SABIS® has a long-standing commitment to the research and development of new technologies that enhance the learning experience and prepare students for future success.

SABIS® schools make use of:

- **Interactive White Boards:** Digital content on interactive screens
- **SABIS® E-Books:** Digitalized versions of the SABIS® Book Series
- **Interactive Learning System:** Digital classroom learning solution
- **SABIS® Digital Platform:** Virtual learning environment and online communication portal

Through the use of cutting-edge technology tools and systems, SABIS® students are prepared for college, learn how to engage in lifelong learning, and become well-rounded, responsible individuals who can achieve lasting success.

## SABIS Student Life Organization®

The SABIS Student Life Organization® (SLO®) is a student-led society that empowers students and fosters their academic and personal development through real-life experiences. The opportunities for growth and involvement in eight different SLO® departments are limitless and help students find a pathway to their dreams.

## Track Record of Excellence

For over 130 years, SABIS® has been helping students achieve success. SABIS® students, all of whom are admitted through a non-selective admissions process, consistently outperform global averages on a wide variety of international external exams including British-based IGCSE and A Levels as well as the American-based Advanced Placement® (AP®) and Scholastic Aptitude Tests (SAT).

### IGCSE:

Percent of Students Scoring A\*-C

### A LEVEL:

Percent of Students Scoring A\*-C

### AP®:

Percent of Students Scoring 5, 4, or 3

## University Acceptances

Outstanding academic results coupled with valuable life skills and experiences prepare graduates from SABIS® schools for admission to the world's most competitive universities, where they distinguish themselves as serious scholars, leaders, and conscientious community members.

## Global Alumni Network

SABIS®'s commitment to its students extends beyond graduation. All graduates from SABIS® schools automatically become members of the SABIS® Alumni Global Association (SAGA), an association that unites graduates, preserves friendships, and facilitates professional networking.

## Operational Models

Schools in the network operate in both the public and private sectors and contract with SABIS® for complete school management services and/or to license the SABIS® Educational System™.

SABIS® has a range of operational models to suit all markets: **SABIS® Premium International Schools** deliver a high-quality educational experience on expansive, state-of-the-art campuses; **Cadmus International Schools by SABIS®** serve aspiring middle class parents who are value-conscious but not willing to compromise on quality; and **SABIS® Public-Private Partnership and charter schools** provide a top-quality SABIS® education to students in tuition-free public schools.
